

LETTER OF INTENT TO DISCONNECT UTILITY SERVICE

(HOMEOWNER)

(to be filled out by the homeowner and submitted to LIPA)

LIPA Customer Order Fulfillment

175 East Old Country Road

Hicksville, NY 11801

lipacof@service.lipower.org

Please direct questions or concerns to: Justin, LIPA Representative for Western Suffolk County
(516) 545-2238

To Whom It May Concern,

I, _____, understand that my utility service will be temporarily disconnected for a period of time as determined by the general contractor in order to lift my house for necessary repairs to the foundation. I also understand that in order to have my utility service restored, I must submit to LIPA an inspection certificate for each utility from a licensed electrician/plumber. I am not closing my account with LIPA at this time.
